## THE UNITED TINY HOUSE ASSOCIATION and its FOR-CHARITY TINY HOUSE FESTIVALS...

Founded in 2015, the United Tiny House Association (UTHA) has grown to become the largest member tiny house support organization in the World, with over 32K members, and is a pioneer in the support, education and advocacy of the tiny house movement.

**\* Note: 6-Page Sponsorship Package with demographics, media appearances, & additional data available.**

Since its very first event, the 5K-attendee and 19 tiny structure 2016 Georgia Tiny House Festival, the tiny house events of the United Tiny House Association have grown to become not only the LARGEST in the United States, but also in the World. (Note: The 97 tiny structure 2016 Florida Tiny House Festival, 116 tiny structure 2017 [2nd Annual] Florida Tiny House Festival, 92 tiny structure 2018 [3rd Annual] Florida Tiny House Festival, the 92 tiny structure 2018 [3rd Annual] Georgia Tiny House Festival, and 97 tiny structure 2019 [4th Annual] Georgia Tiny House Festival, are ALL on record as the five LARGEST tiny house events in the World... and they are ALL for-charity causes!)

Even more important, is the tiny house events of the United Tiny House Association (UTHA) are known as the **For-Charity Tiny Houses Festivals**, which is due to the UTHA donating the proceeds of its events to charities, non-profits, and to the local communities where its events are held. To date, the UTHA has donated and given away almost \$600K in its philanthropy efforts and causes, including, but not limited to, building a tiny home for a homeless veteran, buying a 5th wheel camper for homeless veteran and his wife, buying equipment for volunteer fire departments, founding & endowing the annual Tiny House Scholarship Fund, an endowment to the HCC Sustainability Department, purchased life-saving medical equipment for multiple-children’s hospitals, Alzheimer’s research & support groups, cancer research, breast cancer research & support groups, youth groups, Martin Luther King Holiday events, preservation & restoration projects, many churches, inner city projects, youth groups, and over 70 organizations, non-profits and great causes!
